Sheriff Deputy Lands Man in
Act of Purloining Goods
From Auto

Alleged to have been caught in the act of stealing parcels from an automobile on Washington avenue yesterday, W. W. McMasters, 22, laborer, was arrested by Sheriff Deputy Joseph Chadwick and lodged in the county jail. He is being held on a petit larceny charge.

McMasters, while sauntering aimlessly along, is said to have attracted the attention of Deputy Chadwick, who followed him about the business section of the city. The man is said to have looked into standing automobiles on Washington avenue until he reached the machine owned by J. P. Jensen of Brigham City. Watching his opportunity McMasters is said to have stolen two packages from the car. He was immediately placed under arrest by the officer.

The packages contained a blanket and a child's game. When McMasters was searched at the sheriff's office, a pair of gloves and a large bunch of keys were found in his possession. McMasters is said to be one of the toughest appearing characters who has visited the city for some time and he will be held here while an investigation is made of his record. He claims to have lived in Seattle, Wash.

Salt Lake Grid Team Here on Way to Logan

One hundred and three students of the East High school accompanied their football team north today to Logan, where the Leopards are scheduled to meet the Logan High school for the state interscholastic title Saturday afternoon on Adams field. Twenty-four players together with Coaches Ott Romney and O. Wilson were also in the party. They arrived here from Salt Lake shortly after noon and held a snappy practice before departing for the north. They departed over the Utah Idaho Central at 3:30 o'clock.

Coach Romney today stated that he was confident that his men would win and that it would be by a more decisive score than the one recorded against Logan during the early part of the season. The members of the team are all in first class condition and expect to have a battle of the first order when the whistle sounds. The contest will be played on a snow-covered field, Coach Romney stated.

Oscar Lopez, Mexican, convicted by jury in the district court of burglary in the second degree, was sentenced to serve a term of from one to twenty years in the state penitentiary this morning by Judge A. He must serve one year as a minimum, however, according to the law.
